Wellness Specialist

Bossini, that extra touch of class

Bossini la classe non è acqua

Dal oltre 60 anni Bossini progetta e realizza docce e complementi per il bagno. Oggi il marchio è visibile in tutto il mondo come sinonimo di qualità e design, in esclusivi ambienti: dimore private, hotel, spa, yacht. Sono molti coloro che desiderano trasformare il loro ambiente bagno in un luogo di benessere e di design. Bossini, specialista della doccia, offre una vasta gamma di prodotti ideati con passione nel segno del massimo comfort e destinati a soddisfare qualsiasi richiesta. Un contributo al benessere, grazie non solo alle docce e soffioni e accessori, ma anche alle rubinetterie per bagno. L'accento è posto non solo sulla qualità e sulle soluzioni high-tech, ma attenzione al design del più piccolo dettaglio, per offrire alla propria clientela un accesso privilegiato a un ambiente in cui vi aspettano tranquillità e relax fisico e mentale.

For over 60 years Bossini has been designing and manufacturing showers and bathroom accessories. Today the brand is noticeable all over the world as a synonym of quality and design, in exclusive environments including private residences, hotels, spas and yachts. More and more people now wish to transform the bathroom into a place of wellbeing. So Bossini offers an interesting assortment of products designed for maximum comfort and pleasure. Panels and shower heads, bath taps and accessories all contribute to the general atmosphere of wellbeing. Emphasis is placed not only on quality and high-tech solutions but also on the design of the tiniest detail, giving privileged access to a setting in which tranquillity and physical and mental relaxation await you.

Design and wellbeing

Benessere e design

Il bagno è diventato sinonimo di tranquillità, luogo privilegiato della cura di sè. Il bagno come ambiente centrale della casa, nel quale rivivere l'esperienza della spa, attraverso docce, accessori e dettagli tecnologicamente ed esteticamente attraenti. Il bagno, è il nuovo teatro dell'home wellness. La collezione comprende un'ampia gamma di soffioni in acciaio, con elementi doccia a cascata e nebulizzazione, idromassaggio e kneipp, di set doccia e rubinetteria per una totale personalizzazione della propria doccia, per il benessere negli ambienti pubblici, ma anche privati per il "home wellness".

The bathroom has become synonymous with tranquillity, a privileged place dedicated to personal care. The bathroom is one of the most important places in the home, where you can escape to the spa with showers, accessories and details that are both technologically and aesthetically appealing. In other words, the bathroom is the new frontier of home wellness. The wellness collection includes a wide range of Stainless steel showerheads, with waterfall, and mist, massage and kneipp shower elements, shower sets and taps for a total customization of your shower, for the wellness in spa centers or residential for your home wellness.

Regenerating wellness dimension

Dimensione benessere rigenerante

La doccia, secondo Bossini, è un arcobaleno di sensazioni: dalla carezza di un risveglio migliore al massaggio rilassante del ritorno a casa. Elementi che, associati a un design evoluto e alla funzionalità degli accessori, contribuiscono a fare della vostra doccia un momento indimenticabile.

According to Bossini, taking a shower means a rainbow of sensations - from the caress of a better awakening to the relaxing massage of a homecoming. Elements which, when associated with a progressive design and functional accessories, contribute to making your shower time an unforgettable moment.

Frame

RGB LED lights chromotherapy

Frame ha un'estetica molto raffinata, caratterizzata da un soffione in acciaio inox da controsoffitto di forma rettangolare, inserito in un elegante cornice dal quale si diffonde la luce LED RGB cromoterapia. I colori fanno parte da sempre del nostro mondo, sono forza vitale e fonte di energia. La cromoterapia è in grado di stimolare il corpo e la psiche per aiutarli a ritrovare il loro naturale equilibrio.

The Frame multifunction system has a very refined aesthetic, characterized by a stainless steel showerhead available in a rectangular shape, incorporated in an elegant frame from which the chromotherapy RGB LED light spreads. Colours have always been a part of our world. They are a vital force and source of energy. Chromotherapy stimulates the body and the mind, helping to restore their natural balance.

Olè 100 × 100 mm getto cascata
100 × 100 mm Olè jet cascade sprays

Frame è disponibile nella verisone monogetto o multifunzione da due a quattro getti differenti: un getto wide rain, una pioggia ampia ed avvolgente, una cascata rigenerante per una sferzata di energia, una cascata a pioggia, un getto nebilizzato rinfrescante o kneip l'acqua allo stato puro. Facile da installare, funziona con soli 16 L/min ed è dotato del sistema "quick drainage" che consente di svuotare il soffione dall'acqua residua in poco tempo. Viene fornito completo di telecomando di accensione per luci led cromoterapia, trasformatore a basso voltaggio e flessibili di alimentazione acqua.

Frame is available in the single-jet or multifunction version with two to four different jets: wide rain jet, a large and enveloping rain, regenerating waterfall jet for a burst of energy, comb waterfall, mist or kneip jet of pure water. Easy to install, it works with only 16 L/min and is equipped with the "quick drainage" system that allows you to empty the residual water from the shower head in a short time. It is supplied complete with remote control for chromotherapy led lights, low voltage transformer and water supply hoses.

HI0930 - Frame/3
Soffione a 3 getti, con luci Led RGB cromoterapia
600×500 mm.
Getti: pioggia, cascata, nebulizzato
Finitura: Acciaio spazzolato opaco

Il getto nebulizzato rilascia migliaia di goccioline d'acqua nell'aria per donare un effetto benefico al corpo, rinfrescandolo.

The nebulized jet releases thousands of water droplets into the air to give a beneficial effect to the body, refreshing it.

Aesop

Un getto a pioggia ampio e avvolgente, per una sferzata di energia mattutina, o per un momento di rilassante abbandono che liberi dallo stress e dalla stanchezza di una giornata impegnativa. I soffioni da controsoffitto Frame sono stati pensati per esaltare le qualità sensoriali ed emozionali che l'acqua è in grado di regalarci. Frame con la sua straordinaria dimensione "King Size", consente di lasciarsi avvolgere da un'autentica cascata d'acqua, abbandonandosi ad un abbraccio naturale che vivifica il corpo e la mente, sciogliendo ogni tensione. L'acqua accoppiata a luce e colore può avere importanti effetti benefici sul benessere. In linea generale, i colori caldi come il rosso, l'arancio, il giallo, sono stimolanti ed energetici; i colori freddi come il blu, il viola, il verde, hanno invece proprietà distensive e rilassanti.

A drenching all-round jet for an invigorating morning Shower or to wind down and relax after a tiring day at the office. Frame ceiling showerheads are designed to enhance the pleasures and emotions that water offers. With its King Size dimension, Frame envelops you in a cascade, a natural embrace that refreshes the body and soul, washing your troubles away Water coupled with light and colour can have important beneficial effects on well-being. In general, warm colours such as red, orange and yellow are stimulating and energetic; instead cold colours such as blue, violet or green, have soothing and relaxing properties.

Dream shower heads, the dream shower comes true...

Non più un sogno, ma una doccia da sogno...

Bossini interpreta il tempo della doccia come uno dei momenti cardine della giornata, intesa come un'esperienza di relax totale, dove convergono serenità, tranquillità, benessere, dove il frenetico ritmo quotidiano magicamente si arresta, concedendo un tempo in cui ritrovare energia, dinamismo, vitalità.

Bossini considers having a shower one of the highlights of the day, a thoroughly relaxing experience, a blend of peace, tranquillity and wellbeing, when the frenzied pace of life slows down as if by magic, leaving time to recharge your batteries.

Dream

RGB LED lights chromotherapy

I Dream costituiscono una famiglia di soffioni ultra piatti da controsoffitto che offrono un getto pioggia tropicale sotto la quale è possibile abbandonarsi in una dimensione da sogno. Disponibili in varie forme, tonda, quadra o rettangolare e si abbinano con eleganza all'ampia gamma di prodotti Bossini. I Dream sono disponibili anche con luci LED RGB inserite all'interno del diffusore come dei gioielli, che illuminano il getto doccia regalando emozioni uniche. La cromoterapia è in grado di stimolare il corpo e la psiche per aiutarli a ritrovare il loro naturale equilibrio. Facili da installare, funzionano con soli 14-16 L/min e sono dotati del sistema "quick drainage" che consente di svuotare il soffione dall'acqua residua in poco tempo.

Design essenziale e benessere avanzato negli ambienti bagno.

DREAM are the ultra flat line of false ceiling mounted shower heads, that deliver a wide drenching tropical rain, creating a dream world. Available with in various shapes; round, square or rectangular are elegantly combined with the wide range of Bossini products.

Dream are available with LED lights, incorporated in the spray head like jewels, they offer advanced wellness functions in refined essential designs. Chromotherapy stimulates the body and the mind, helping to restore their natural balance. Easy to install, they work with only 14-16 L/min and are equipped with a water-drainage device incorporated at the spray head centre, which reduces water build-up to a minimum.

Essential design and advanced well-being in the bathroom.

Black is back

Il nero è rigorosamente opaco

L'idea di bellezza che nasce dal disegno, purezza di stile nella ricerca del design: la linea Dream esprime alla vista tutta la progettualità ed il gusto contemporaneo nell'ambiente bagno. Il nero rappresenta l'eleganza pura, l'attrazione; una doccia, un rubinetto nero opaco si nota e si ammira in qualsiasi stanza da bagno.

Black is strictly mat

The concept of beauty as the result of accuracy of design and purity of style. The Dream line shows off its engineered design and contemporary taste in the bathroom. Black represents pure elegance, attraction; a matte black shower or faucet is noticeable and admirable in any bathroom.

Carezze di benessere

Cuddless of wellbeing

Cosmo

Un gusto particolarmente elegante ed essenziale contraddistingue il design minimalista della serie Cosmo, che regala il lusso di una doccia a getto ampio, sotto cui lasciarsi viziare e coccolare dalla morbida carezza dell'acqua. Adatti per il montaggio a parete o a soffitto, i soffioni Cosmo sono disponibili con profili arrotondati o quadrati e in due diverse dimensioni per rispondere a qualsiasi esigenza. Abbinati alla cascata a filo parete, all'asta doccia Mixa e body jets laterali regalano una doccia sublime.

The minimalist design of the Cosmo series is based on elegance and essential style, giving the luxury of a drenching shower that caresses the body softly. These shower heads combine ease of use, attractive design and enhanced wellbeing. Suitable for wall or ceiling mounting, Cosmo shower heads are suitable in rounded or square profiles and in two sizes to meet any need. Combined with the wall waterfall, the Mixa shower set and side body jets, they offer a magnificent shower.
